The title of the application has been amended as follows:

IMAGE FORMING APPARATUS INCLUDING A PRECHARGING DEVICE

Comments

In the amendment filed on April 11, 2005, the applicant responded to the drawing objections made by the examiner. The arguments were found to be persuasive. Further, it was stated that a replacement drawing sheet for Figure 4(a) was included with the amendment. However, no replacement sheet for Figure 4(a) has been found. Consequently, applicant is requested to submit a copy of the replacement sheet mentioned in the amendment. The described changes to Figure 4(a) are approved and the rest of the original figures are acceptable as originally filed.
